Work is on the program for everyone, from early in the day until late Saturday night now; cotton picking, gathering corn, and cutting maize being the occupation of many on the farms. It is hoped that we have no more storms, as the one we had Saturday night and Sunday the 13th and 14th, was very damaging to everything, but of course it could have been much worse and was in so many other places.

Rev. Anderson of Houston filled his regular appointments here Saturday night and Sunday at 11:00 o'clock, at the Presbyterian church.
