

DIME BOX

Harry Hannes and family of Mission visited relatives here last week.

Mr. and Mrs. Frankie Kanak of San Antonio were guests of Mr. and Mrs. Ben Dube for several days.

Billy Standefer of Camp Bowie was here being on a ten day furlough.

Mr. and Mrs. M. H. Bragdon of Arlington are guests of the Standefer's this week.

Mrs. Floyd Helmer and children and Mrs. Pete Dickerson, all of Houston are spending a while with Mr. and Mrs. Leonard Dodd. One of Mrs. Helmer's children is recuperating from a tonsillectomy.

Mr. and Mrs. Asa Moses accompanied Mr. and Mrs. George Owen to San Marcos for Saturday and Sunday, visiting Mr. and Mrs. D. H. Owen of that place. They also visited the mountainous part of Hays Co. at Wimberly while away.

S. E. Reat and son Cecil to Troy visited here several days.

Joe L. Kocurek and family went to San Antonio Sunday, making the trip in a brand new car.

Clinton Polansky spent the week-end in San Marcos.

Miss Virginia Bridges of San Marcos is spending her two weeks vacation here with her parents Mr. and Mrs. C. W. Bridges. She is doing stenographic work for Conral Cotton Seed Co. and reports them as being very busy. Virginia has been working at the same place since she completed her business course several years ago.

Mr. Charlie Thomas was badly injured Tuesday morning while poisoning cotton. In some way the machine turned over and fell on him but the writer did not learn exactly how it happened or how serious was the injury.

Dime Box is full of families, the men being employed on the Highway work which is in full swing on the stretch of in-completed road between Caldwell and Giddings. As was done when they were working nearby before the people in a good many families here are making room for them in their homes, making apartments out of part of their houses in a good many instances. They make a more lively town and are very welcome.

Mrs. Oscar Christiansen and Mrs. Andrew Wright, Mrs. Milton Christiansen and Miss Ida Levy visited in the P. P. Stanley home Tuesday.
