DIME BOX

The H. D. Club met Thursday afternoon with Mrs. Aug. Spacek. An interesting meeting had been planned, the subject of the program being "Lighten Your Load," dealing mostly with ways to have running water in the kitchen and suggestions for convenient wood boxes. The programs for the year were assumed and arranged and homes for the meetings were designated. Three new members were added to the club: Mesdames L. J. Kocurek, A. P. Moses and Oswald Marburger. The next meeting will be with Mrs. G. M. Attaway Jan. 29. After it was voted to adjourn, delicious punch and fruit cake was served to the following members: Mesdames Albert Schuhmann, Joe Spacek, Gus Kaiser, Reed Henson, Oswald Marburger, G. M. Attaway, Rushing Gantf, Carl Bridges, Adolph Spacek, Edwin Wolfe, L. J. Kocurek, W. R. Standefer, and Miss Lydia Wolff.

Mr. and Mrs. Rudolph Mikulin had the misfortune of losing by fire their garage and car, smoke house with all their meat and canned goods, some soiled clothing, etc., last Monday night. A small amount of insurance was carried. It was no small task to save the home as the well is not near, but neighbors helped and kept the house from becoming ignited.

Mr. and Mrs. Leroy Weidholdt are the proud parents of a baby boy, born last week.

Mr. and Mrs. James Kyle are visiting their parents, Mr. and Mrs. A. P. Moses and Mr. and Mrs. O. A. Kyle for a few days.

The Nimitz boys and sister Miss Alma Nimitz who recently moved to Houston, spent the week-end here with relatives and friends.

Mr. and Mrs. C. H. Oden left recently for Austin after spending a month here. Mr. Oden was the relief station agent, since Mr. Frank Greichar moved to Carmine. Mr. Holt will arrive this week from Moulton with his family and he is the new agent. We welcome them to our little town.
