DIME BOX

Mr. Bill Davis and family are here visiting Mrs. Davis' mother and sister, Mesdames Laura Huckaby and Ada Thomas. They have been living in the desert part of California and decided Texas is a better place to live at this time, especially.

Mr. Edd Riske was in Austin on business one day recently.

Mr. Harry Hannes and family from the Valley are visiting here at this time.

Mesdames Stella Bryan, Conlon and Cora Bryan Moseley and Mr. and Mrs. Abrams and son, all of Houston, were visitors here of late.

Mrs. Frank Houdek spent the Fourth with her son Joe and family in Houston.

Mr. R. N. Sexton and family of Austin were recent guests of Mr. and Mrs. Reed Henson.

Mrs. Oswald Marburger visited her husband at Camp Barkely several days last week.

Mrs. Frank Kanak and small daughter of San Antonio spent two weeks here with her parents Mr. and Mrs. Ben Dube.

Mr. Ivan Nevill and family of Houston were week-end guests of Mr. and Mrs. W. R. Standefer.

Woodrow Spacek had a bad attack of appendicitis last Thursday and was operated on at Scott & White hospital in Temple that day. His parents Mr. and Mrs. Adolph Spacek went to him and he was doing as well as could be expected. We hope for his speedy recovery.

Mrs. August Spacek will conduct a class in First Aid, beginning this week. Classes

will be twice a week in the afternoon from 4 to 6 o'clock. Mrs. Spacek attended a school in First Aid at Kerrville for two weeks and passed a test and is fully capable of teaching and it will be well worth the time. The classes are without charge.

The rain missed us the Fourth but it rained slowly all day the 5th and it will be beneficial to young corn and gardens as it was very dry here.

Dr. Guy B. Duff of La Grange will hold a protracted meeting here next week, preaching in the evening. The members of the church hope to paint our church (Hugh Wilson Presbyterian) that week and will be glad of assistance from anyone who will do so. Everyone is cordially invited to attend the services which will probably be near 9 o'clock each p. m.

DIME BOX H. D. Club

(Mrs. Albert Harzke, Rep.)

"Patriotism" is a word of great significance and is dear to the hearts of all true Americans, but greater still and above all are the words, "Faith in God." "Does America need God" was one of the many subjects discussed by the members of the Dime Box H. D. Club in a meeting held at 2:30 P. M. July 2, in the home of Mrs. Rushing Gantt.

Faith in God and Confidence in Man are the weapons with which human beings win their battle along life's pathway. This thought should be instilled in the minds and hearts of children to strengthen and prepare them for their future.

As loyal citizens of our country, we should make use of the ~~privilege to vote~~ and vote intelligently. Consider not the good looks or big line of talk,

but the abilities of the persons to fulfill the duties of their respective offices for which they are candidates.

Information as to the proper salute to the flag of the U. S. at different occasions, care of the flag, and how it should be displayed, was given a thorough discussion. Also facts on how the American Red Cross functions in military and naval warfare were given. These are valuable lessons and should be of utmost interest to all loyal citizens of our free America. Don't fail to do your duty for your country by buying more War Savings Bonds and Stamps and keep it a land of the free forever.

The next meeting will be held at 2:30 p. m. Sept. 3, in the home of Mrs. J. R. Henson.
