School began Monday (14th) with a good attendance. There are seventeen beginners this year. The teachers are: Mr. W. B. Williams, Supt., with Mrs. Mary Morgan as primary teacher and Mr. Albert Harzke, V. A. teacher, then Mrs. Agnes Spencer, Miss Josephine Malinak, Mr. Edd Krenek, Mrs. Kate Sparks and Mrs. Goree are the other teachers. We hope for a good school term.

Pfc. James Kyle of Camp Howze at Gainesville is at home on a ten-day furlough. His wife from Houston met him here and they will visit with their respective parents, Mr. and Mrs. O. A. Kyle and Mr. and Mrs. A. P. Moses.

Mr. and Mrs. Grover Reat visited relatives here Saturday and Sunday. Grover will teach, being elected Supt. at Lytton Springs this term and will begin the school Thursday.

Mrs. Laura Huckaby returned last week from Hartshorn, Okla where she visited her daughter, Mrs. Will Hart.

The little son of Mr. and Mrs. Herman Dube is ill again and in the hospital in Galveston.

Dr. Schuhmann of East Bernard visited his parents Mr. and Mrs. Albert Schuhmann here Sunday.

Mrs. Willie Hulse Kyle and little son of Caldwell are spending a few days here at Mr. and Mrs. O. A. Kyle's. Gene, youngest son of Mr. and Mrs. Kyle, and Willie Hulse Kyle went to New Orleans on business for a few days.

Mr. Frank Hannes of McClellan is visiting here.

Dr. Guy B. Duff of La Grange filled his regular appointment here Sunday afternoon. We may not be able to keep him coming to our congregation twice or maybe not even once a month if gasoline and tire rationing goes into effect, so let us all attend the services each time as well as we can. We hope he can continue to come for our services.
