

Dime Box Burglary Is Linked With Ledbetter, Carmine Raids

Joe Marek's liquor store at Dime Box was entered during the early morning hours Wednesday by burglars.

Sheriff John Burttschell and Ranger Tom Gallimore were investigating Wednesday and Thursday. Mr. Gallimore states that several

clues indicate the robbery was pulled by the same gang that raided business establishments in Ledbetter, Carmine, and other neighboring towns during recent weeks.

Since the identities of these individuals are not known at this time the nature of the clues in the hands of the officers is being withheld.

Local officers are continuing their investigation with Mr. Gallimore, co-ordinating their efforts with those of neighboring counties.

The burglars took the complete stock of liquor valued at \$1 thousand out of the Marek store. Jerry Vavra, Dime Box grocer, noticed a broken hasp on the door Wednesday morning.
