Doak Springs Sets Annual Community Fair

The Progressive Club of the Doak Springs Community has planned its Fifth Annual Community Fair and Exhibition for Friday, April 17.

It is hoped that this will be the greatest show in the history of the community. Many outstanding guests are expected to attend, including several representatives from the Texas Education Agency.

All surrounding schools and communities have been invited to participate. The theme for this year is "Better Relationship Through Group Planning."

The program committee has planned the discussion centered around the home, school, church, community, nation, and world. This will be analyzed in sectional meetings with high lights by guest speakers.
