FEDOR BRIEFS

A committee of 20 men was appointed to start the preparations for a school-closing picnic which is to be held June 24.

The Bible Class and the men's choir of Trinity Luth. Church plan an entertainment for Friday night; there are no admission charges and nothing will be sold, just a get-together for young and old.

Most of the 40 trees planted in honor of George Washington to commemorate the bicentennial of his birthday show signs of life.

Teachers Schroeder and Buuck are stressing the history of the Father of our Country in the history periods. One new brief fact daily is posted on the wall. At the end of the school term an examination will be held to determine how many of these facts have been retained by the pupils. Also at the school picnic a speaker will deliver an address on the life of Washington.
