Esteemed Volksblatt!

I will once again try to write a few lines. It rains, so they say, one or two showers each day.

On July 5, Mr. Otto Doman had a great many visitors, and he had a barbeque for them. People were there from all over, namely, Oskor Winklers, Edmund Schkades, Erich Winklers, Erna Winkler from Giddings, Laura Wacker, Oswald Walther's, Richard Kaspers from Warda; Herman Jatzlaus, John Lerches, Karl Jatzlaus, Erwin Zwernemanns from Lincoln, Mrs. Ludwig Wagner and children from Three Rivers, Walter Becker's, Reinhold Melde's, Gustav Zschech's, Erich Drosches, Paul Doman, Walter Zschech and Albert Urbans. All had a very good time.

On July 10, Miss Agatha [Proske] Noack and Mr. Earl Little were married in Lexington where the groom is a bookkeeper in the Lexington State Bank. We wish the young couple well and blessings in their coming life together.

Miss Ruby and Gertrude Patschke left their parent's home again last week and went back to Houston where they are employed. Miss Ella Doman went back to work at her job in Houston on Sunday.

Today, Mr. John Winkler was surprised on his 45th birthday. His son-in-law, Heinrich Kalmbach, made a good lamb barbeque, which was supplied by Alwin Winkler and tasted very good to everyone. John knew nothing about it since it was done so secretly. Present as guests were: John Winkler's, Arthur Iselt's, Karl Winkler's and Alwin Winkler's.

Teacher and Mrs. Paul Moerbe visited Father Ernst Moerbe at the nursing home. Mr. August Dube and family and Miss Lorine Becker were visiting in Bishop during the past week. Mrs. Ludwig Wagner and children from Three Rivers were here visiting relatives.

So that should be all for this time, I have to get back to work, of which there is always enough, like cutting up food, etc. for cooking. There is enough again for this year.
