FEDOR 4-H CLUB

The Fedor 4-H Club girls met Friday at the Fedor school house. Various topics were discussed, such as "The brushing of hair." You should brush your hair daily, for it is very healthful to your scalp, and it glorifies your hair. "Take care of your hands and nails." Nails greatly cared for, are a great help toward beautification of your hands. "Take good care of your lips." As you know, lips like your hair, are your glory, therefore they should be greatly cared for. After discussion of these interesting subjects the meet. was adjourned.
