4-H CLUB BARBECUE

The Fedor 4-H Club boys and girls had a real treat Tuesday evening, when the young 'uns, and grown-ups ate a delicious barbecue chicken dinner. The chickens were donated by the club members and were prepared by the Fedor H. D. Club members. Talk about good eats, well, they had them. All other goodies, like cake, cookies, iced tea, etc. were also served. A real enjoyable time

the club members and their parents spent by singing, cheer club yelling, and playing games. Mr. J. T. Sloan and Miss Elizabeth Elliott helped to diminish the good barbecue too, and if anyone asks them if they enjoyed it, they would still be too fed up to answer. So you see clubs do not only mean work, for, just look what you can look forward to sometimes. The barbecue took place at Paul Domann's.
