**FEDOR BOYS' 4-H CLUB**

The Fedor 4-H club held its regular monthly meeting at the Fedor Trinity Lutheran school Monday night under direction of R. G. Buuck, club leader. Wildlife conservation and the County Fair were the main topics for discussion at the meeting.

E. C. Knippa, president of the club, made a report of his trip to Rockport to the 4-H Wildlife Conservation Camp and as a result the club resolved to make wildlife conservation one of the major objectives this year. The boys decided that at their next meeting each would bring materials enough to make ample game conservation signs for his own farm and also for one neighbor. These signs would be painted and stenciled at the meeting.

Each of the boys pledged himself to bring at least one exhibit to the County Fair, Sept. 18-20, and also to assist the H. D. Club in preparing the community agricultural booth.

Erwin Michalk was received into the club as a new member bringing the club enrollment up to 24 members.
