

High School Carnival A Big Success

The carnival given by the public school pupils assisted by the teachers and many patrons was a complete success. Ample arrangements had been made to furnish amusement for the large crowd and there was fun for all. The play "Adventures of Grandpa" was amusing from beginning to end and each part was well carried out. The presentation of the play is a credit to the high school pupils and the coaches Miss Fleming and Mr. Moses who have worked untiringly to make it a success. There were booths of all description and many means whereby to separate yourself from your money which is the chief idea of carnivals. The total proceeds were \$208.26 which goes to the benefit of the school. A large crowd was in attendance, many visitors from nearby points being present and the evening was thoroughly enjoyed by all.
