**Giddings School Notes**

Miss Lurel Paine, of Cuero, has accepted the position of sixth grade teacher in our public school for next session. Miss Paine has had several years experience and comes highly recommended.

Miss Lois Hatcher, of Plainview, has accepted the position of English teacher in the High School. Miss Hatcher graduated from the Plainview High School and has had three years College and University work. She has had four years experience and is very highly recommended.

All teachers for next session have been secured now. Prospects are fine for a better School.

The State Department of Education has notified Mr. McGee that the Giddings High has received another unit and a half of affiliation. The unit was in Biology and the half unit in Economics. Out of a possible 20 units we now have 17½. We expect another half unit next session.
