**Giddings School Opened**

The Giddings public school opened Monday with about 250 pupils. Quite a number of patrons met in the school auditorium that morning and listened to talks by several persons, as well as to a splendid musical program.

The attendance will increase somewhat in a few weeks when the cotton crop is gathered. The following teachers compose the faculty: Mrs. Knox, Miss Rousseau, Mrs. Campbell, Miss Waitman, and Miss Paine who are the grade teachers; the high school teachers are Miss Hatcher, English; Miss Pietsch, History; Miss Fleming, Latin; Mr. Moses, Science; and Mr. McGee, mathematics.
