School Notes

The entire student body of the G. H. S., as individuals and as a whole, feel that it has suffered a great loss in the death of Ike Sparks. While he has not been close to us for several months, we feel that he was the same as one of us. It is mighty hard to forget the broad smile and big heart that were so characteristic of Ike.

Mrs. W. A. Darter visited the school last week, in the interest of the Junior Red Cross. Each room subscribed to the Junior Red Cross News.

Mr. Penn, the freshman football coach from Texas University, was here last week coaching our football boys.

At a recent meeting of the Seniors the following officers were elected: Jim Ramsey, president; Fred Willard, Vice-president; and Jane Bowers, secretary-treasurer.

Rev. Garrett conducted chapel exercises Monday morning.

Garland Stewart, an ex-student of Giddings High School, visited us one day last week.

We are going to have "pep meetings" this week, so we shall be ready to root for our boys when they play. Show your loyalty by coming to the games.
