**CANNING EQUIPMENT TO
BE LOANED TO FARMERS**

In order to help as many farmers as possible the Giddings Chamber of Commerce has purchased three Pressure Cookers and three sealers to be loaned to the farmers of the County, FREE. This equipment will be handled through Mr. Ed. Schuhmann at the Citizens State Bank in Giddings. All farmers who have something to can should see Mr. Schuhmann and make a date for the outfit. One canning outfit is for the colored farmers and two outfits are for white farmers.

This is a wonderful chance for the farmer to get food put up for the coming year and every one should take advantage of this service and keep all three of the outfits busy all the time.
