FFA Club Activities

The Giddings High School Vocational Agriculture boys are making preparations for the trip to the Houston Fat Stock Show Feb. 8. The Lincoln and Fedor school buses are to be used for the trip.

Last Wednesday morning the FFA boys were taken to the court house to listen to a lecture on Land Use Planning. In the afternoon the boys were taken to Elmo Kieschnick's farm near Lincoln for a Soil Conservation demonstration. Tuesday night, a meeting was called, with ten members and four of their fathers present. The Father and Son banquet to be held Feb. 21st was discussed.
