**GIDDINGS HIGH SCHOOL
STUDENTS HONORED**

Gladys Marie Schneider, Grace Hejtmancik and Ben Liberty have been selected as the Giddings High School representatives in this year's "Who's Who Among High School Students." Phillis Reed was given honorable mention.

The faculty has selected these seniors on the following qualifications set up by The American High School Educational Association at Baylor University: leadership, scholarship, character, sportmanship, and extra-curricular activities. Last year over 450 schools participated. C. J. Humphrey, Editor of The American High School Educational Association is doing splendid work in compiling this list each year.
