

## **Firemen Answer 2 Alarms This Week**

Giddings firemen answered two alarms this week.

Monday morning they were called to the Richter Lumber and Junk Co. where a truck was a fire. The small blaze was quickly extinguished before firemen, who had to wait for a passing freight train, arrived.

Wednesday morning the firemen were called to extinguish a fire in a brooder house operated by Fairmont Foods Co. on the Beat Five Road. Floor underneath the oil brooder was burned. None of the several week old turkeys in the house was lost.

The truck broke through the soft topsoil made soggy by weekend rains just near enough the building for the hose to reach the burning portion. Firemen with the aid of Dr. H. R. Willard's husky Jeep afterward easily extricated the truck from the mud.
