

**NONE HURT**

## **Another Wreck At Overpass**

In a pre-dawn accident on the overpass on Highway 77 Tuesday, July 4 at 5:30 a pickup owned and driven by Fritz Bage was propelled off the embankment south of the overpass when a car overtaking him from the north slid into his truck.

The other car was driven by Mrs. Lucille Bolsins of Sinton.

Mr. Bage had signalled a left turn at the foot of the bridge approach. Mrs. Bolsins was attempting to slow down when her car slid on the wet pavement.

Mr. Bage was the only occupant of his truck and was unhurt.

Mrs. Bolsins was accompanied by her five children and an unidentified lady. All of them also were unhurt.

Mrs. Bolsins was enroute to Victoria to visit her husband who is stationed at the airbase there.

Rudi Simon, city marshall, said that both drivers were without blame in the accident and placed the blame on the condition of the overpass.
