GOOD HOPE

Ernest Fischer and family spent Sunday afternoon with W. E. Gollrad and family.

Rev. and Mrs. Carl Mutschink and baby, Eddie Arldt and family visited John Wolf and family Sunday.

A nice crowd attended church Sunday night at Green's Creek. They had English services by Rev. Koehler of La Grange.

The Good Hope community did fine. They collected a ton of old rubber and also a lot of scrap iron.

We need a good rain for the corn crop.
