**GIDDINGS-HEARNE
MIXED TRAIN ANNULLED**

Effective Saturday, Feb. 21, the mixed train which has been operating between Giddings and Hearne every day, will be discontinued. The express, mail and passengers will be handled on the two night passenger trains which run between San Antonio and Dallas. The decline in passenger business was given as the reason for taking off the train. It is said that at Deanville one ticket was sold last year.
