HIGH PRAIRIE

Mrs. J. H. Green celebrated her birthday Sunday by having a large number of relatives with her.

The many friends of Mrs. A. Lawrence are glad to know she is back home after being in a hospital at Brenham for two weeks.

Miss Novita Beaman is home after staying in Giddings a-while.

Frank Wood from the CCO camp at Pflugerville spent several days at home last week as the rain kept them from work.

Misses Effie and Marguerite Dodd are both employed in Giddings.

W. C. Wood and family attended a family reunion at Mrs. Ellen McClellan's home Sunday.

B. B. Beaman has work in Giddings now.

Mrs. J. H. Green is sick at the time of this writing. We hope she will soon be well.
