

The Giddings News

April 17, 1942

HIGH PRAIRIE

We were glad to get the rain which was badly needed for farming but now we need sunshine so every one can get their land planted and in shape for a good '42 crop.

Miss Vira Dodd returned to her work in Houston Sunday last.

Frank Stanley of the U. S. Navy is expected home today, April 14th for a 16-days stay with relatives and friends here.

Those spending Sunday with Mr. C. W. Stanley and family were, R. P. Lawrence, A. C.

Lawrence, E. Stanley, Mrs. C. H. Keng and families, Mrs. Mary Wilhite and son Dean and Garwood Dodd. Mrs. Stanley is slowly improving from her long illness.

John King and Frank Wood are working on the highway at Evant, Texas near Lampasas.

Mr. J. M. Dodd has not been doing very well this week.
