
LEDBETTER LOCALS.

The cold weather the first of the week, was very much needed to retard trees from budding and then very likely be killed later.

We have a few lots and we are going to farm on a moderate scale. We've consulted all the "only reliable" seed catalogues; consulted weather calendars and almanacs, so with these helps and "elbow greas" and perspiration, we're expecting to harvest a "Bumper" crop.

Mrs. Candace Kelly is the guest of her Aunts and sister, Mrs. Taylor and Mesdames Hodges and Knittle.

Mr. Robert Moss and family Mr. and Mrs. Hunter, and Miss Elsie May Hunter of La Grange were Sunday guests of Mrs. Albers. Miss Ollie May Albers returned home with them to spend the week.

Mr. Frank McClellan visited relatives in Elgin the week-end.
