### **Ledbetter 10, Manheim 2**

Manheim laid a row of goose eggs in unbroken sequence across the local score board until the ninth frame when errors by Gest at first and catcher Ponfick enabled two unearned runs to hatch on the board to make the count 10-2, before Loewe, no longer trusting his teammates, struck out the next three in a row.

Loewe's flaming fireball mowed down 16 Manheim batters while yielding but two very scratchy hits and no earned runs, while his mates collected 7 off Fariss and 1 off Maass, who gave up after one-third inning that yielded two earned runs.

Ledbetter invades Beat Five next Sunday, July 9, to take a pot shot at the Lee County League leaders.
