LEDBETTER NEWS

E. A. Rummel

Ledbetter Licks League Leaders

Before one of the largest crowds of the season, Ledbetter handily downed Beat Five on the local Community diamond Sunday, 8 to 1. Sparked by third baseman Domasch, who started the proceedings with a three-bagger and scintillated in two fast double plays, the locals scored two runs in the first frame and were never again in trouble. Domasch also nipped in the bud a 9th inning rally with a double play that ended the game. Loewe, ace hurler of the locals who allowed but three hits, merited a shutout, but two of the hits, one a scratchy fly that better fielding could have caught, came in the 7th, allowing Beat Five's single score.

The game concluded the scheduled series between the two teams, with Beat Five holding a 3-1 edge on the locals, who attained a stranglehold on the third place position and assurance of being in the playoff.

Loebau invades Ledbetter next Sunday, Aug. 20, for the final scheduled game between the two teams, the locals holding a 2 to 1 edge on the victims. All baseball fans are cordially invited to view a strenuous battle between the two teams.

Ledbetter Ladies Lose

The Ledbetter ladies' softball team invaded Carmine last Thursday afternoon for a return match and came off on the short end of a 9 to 0 score.

Socials
