Ledbetter 10, Manheim 7

Before a fair crowd at the local community diamond last Sunday, the locals with some difficulty defeated Manheim 10 to 7. Loewe, somewhat off form, struck out 8 Manheim batters and kept their 13 singles widely scattered to make it a win. The big inning came in the 6th, when Kunkel homered with two on, followed by Koerth, who brought in two more with a three-bagger and drove Fariss from the box.

The game rings down the curtain of the Lee County League schedule for the locals, who split the series of four games with Manheim at two each. Manheim plays Loebau at Manheim next Sunday for the final rained out game, and the locals will probably invade Loebau Sunday, September 10, for the playoff between the second and third place teams in the Lee County League.

Giddings of the South Central League will invade Ledbetter next Sunday, September 3, for the first meet of the season between the two leagues, and all neighboring fans are invited over to view a sizzling baseball contest between two third-place teams in their respective leagues. Both teams will be limited to players eligible to each at their last league game.

Fandango Friday

Jimmy Heap and his Melody Masters, KTAE radio artists, are slated to make merry with their popular music at the regular monthly dance of the fire department at the community center hall next Friday, September 1. The boys extend their cordial invitation to everyone to come over for an enjoyable evening of dancing, refreshments and carnival features.

Fire Calls

Almost three months of rain-

less and sizzling weather has all pastures in a highly inflammable state, and the fire boys last week promptly responded to three calls, two being grass fires on the McClellan and O'Barr pastures, and the third being a false alarm at Frank Els' place four miles north of here, where a large brush heap was being cleared. The grass fires were promptly put out, but hazardous conditions will prevail until soaking rains fall again.
