Baseball Barbecue

The Ledbetter Baseball Club ran down the curtains on the 1950 season by entertaining its fans and supporters with a buffet style barbecue at the Community Center Saturday evening. Pork, mutton, barbecue sauces, salads, and ranch style beans, all washed down with inspirational refreshment were the gastronomic features of the gay affair, which was attended by many guests from Carmine, Giddings, and other neighboring towns and communities.

The local club, which emerged from the league cellar in July, finished by lasting to the third game of the finals with Beat Five at Airline Park in which they suffered a 14 to 0 defeat.

A stronger club is in prospect for the 1951 season, due to many applications from seasoned players, but no decision will be made until the first meeting in January, 1951.

Dry Weather

October has been too bright and too blue, according to local gardeners, whose crops are be-

ginning to wilt badly. No rain in quantity has fallen since the deluge of Sept. 16.
