JERSEY CATTLE AT FAIR

For the first time in several years, there will be a Registered Jersey Exhibit at the Lee County Fair. There will probably not be over 12 head, but not be over 12 head exhibited but it will be a start on which to build in the future, says Hm. Kieschnick, superintendent of the Registered Jersey division. He requested that anyone having Registered Jerseys to show contact him before September 13. The animals will be on display the three days of the Fair, Sept. 18, 19, 20.

The following boys from the Lincoln 4-H Club have already requested space at the Fair: Isidor Knippa, heifer; Elmo Kieschnick, heifer; Victor Umlang, heifer; Monroe Karcher, heifer; Herman Kieschnick, Jr., bull. Other boys who are to show at the Fair are Arthur Tomanetz, Nally 4-H, bull; Otto Aschenbeck, Jr., Giddings FFA, heifer; Alvin Aschenbeck, Giddings FFA, bull; Dan Blaha, Dime Box FFA, bull. Ewalt Milburn will show his registered bull he purchased this spring from J. B. Oliver and Martin Placke will show a heifer from Richardson, Texas.

The four 4-H and FFA bulls that are to be shown were secured by the boys through the Boys Bull Club sponsored by the Texas Dairy Products Improvement Association from Ft. Worth. Most of the heifers to be shown by the boys were made possible through a loan fund from the Giddings Chamber of Commerce.
