**SHOOTING AT LEO**

Word was received here Thursday morning that Ky Baylor had been shot at Leo the night before. From reports received it seems that there was a gathering at Bethel Church, and on their return home after the gathering Ed. Veal was way laid and shot at three times by Ky Taylor and his wife, that Ky's wife shot at Ed three times with a shot gun, then Ed turned loose on them with a six shooter and struck Ky. Details are lacking. Sheriff Carlisle left for Leo that morning as soon as the report reached town and had not returned up to the time we went to press.

Mr. D. F. Wade of Lexington was transacting business here Thursday.

Mrs. H. H. Sheppard of Austin is the guest of Miss Helen Knox this week.
