**Thanksgiving Program at Lincoln**

The editor accepted an invitation to be present at the Thanksgiving program rendered by the pupils of the Lincoln public school and their efficient teacher Miss Lona Braun. It was given Wednesday evening when the holiday spirit was beginning to manifest itself especially with the youngsters because they would have two days "off" from school.

The evening was enjoyed by the many in attendance and the well rendered program comprised music, dialogues, playlets, an operetta and a chorus. The following pupils took part: Gus Warren, Jim Warren Jr. Louis and Louise Handrick, Richard, Bertha and Ida Schubert, Augusta and Marie Drews, Edmund Schkade, Ella Hoffmann, August and Herman Lehman, Herbert Symm, Richard Symm, Ewald Zwerne mann, Gerhard Lehman and Carl Riske.

In many places, the part the school takes in a national holiday is the only manifestation of such and if a holiday is to be worth while, its significance should be taught in the school.
