**Vo. Ag. Class to Make
Compost Bed March 13
In Lincoln Community**

A demonstration of the process of making a compost bed will be given by Tom Cherry and the Vocational Agriculture Class of the Giddings High School at the home of Herman Kieschnick in the Lincoln Community Monday, March 13, at 2 p. m. Miss Lillian Peek, co-ordinator of the Community Program in Family Life Education for the Giddings School District, has announced.

All interested persons are invited to attend.
