What Giddings has to offer: Musical instrument violin and bow Can be obtained in Giddings. Giddings, Lee County's capitol The Universal Express is on the spot Hear this! What Giddings has to offer. Everything proceeds very promptly. A brickyard, standing tall in fir forest Where bricks are made with steam. The Central Railroad with transfer-pass Crosses here to N, S, E, and W Two Dalmatians, pretty and nice And whoever has the money Cotton compressors, in addition Can travel throughout the wide world. Electric lights from afar Two banks, so money is available The town has eight water supplies Which will take care of you. A butter making plant is also there And schools for the children Cream comes from near and far. Where one learns a lot and others less. Three English - two German churches Where the people come for worship. Cars which race about Ĵ On the streets as in Berlin. 1 One English - one German newspaper, Thought is also given to the blimp t Both of which are of importance. Which is talked about by Zeppelin. Barber, tailor, and cobbler, all together A true example of an amity model. Giddings has three cotton gins I intended to tell you, in the beginning 6 saloons, 3 hotels, 3 restaurants And for that to happen to me T Where one can drink and eat. I hope, to no one's chagrin. ŧ Schnaps, liquor, beer and wine ť 9 And, in addition, fresh beverages. There is also a saddler available here f Who provides saddles and harness. In early hours when day is dawning Giddings also has many visitors. Speak out for anything you need Three blacksmiths hammer anew. Because everything is cared for So all good people can feel at ease. Soda water, fresh and tasty 1.9 Fills the little tummies up. One irons by oneself electrically White and red in different bottles Too bad the old folks hadn't seen this. For those with money in their pockets. In all sales businesses ġ I almost forgot about the Bastille Fans whoosh, driven by electricity. Which already accommodates many. Four drug stores are at your service The courthouse is large and new 9 So there is no lack of medicine. But never-the-less shows some cracks. There are enough doctors available To treat all who are sick, far and near. At this I don't want to offend By finally thinking of the cemetery Ŀ Also, two butchers caringly Which is really beautiful and nice Sell excellent sausage and meat. Where those resting are never in agony. ì Bakers care for the bread supply

There is really no fear of shortage!
