**MANOR FIRE OF  
INCENDIARY ORIGIN**

The disastrous fire in Manor two weeks ago which destroyed property amounting to about \$75,000, burning two blocks of business property, mostly brick buildings, was caused by members of the colored population. There were two cafes and the proprietor of one desired to put his competitor out of business, so he fired the building of his competitor. Now the one who did the firing is in jail, apprehended of the act.
