

## **The Giddings News**

August 22, 1941

### **NORTHRUP**

#### **Remover to Hospital.**

As stated in last week's issue of the News about the Krause boy being run over, and as stated no serious complications had set in, however 2 days later the little fellow's leg turned blue and was unable to walk and necessitated the Dr.'s attention, who found the leg broken and he had to be taken to a Brenham hospital, but was released there Sunday afternoon and brought home. The boy is only 1½ years old.

#### **Operation Necessary.**

Mr. John Miertschin who had a rupture for 10 years or more had to be removed to the La Grange hospital where he was operated on Friday morning. He was again released Monday morning and is now with one of his sons at La Grange. A speedy recovery is wished for him.

Gerhard and Alma Noack, and Aug. Schulze spent awhile Tuesday night in the Bob Malke home, it being Miss Lorjine's 20th birthday.

Mr. and Mrs. Aug. Kessel were surprised for their 20th wedding anniversary Sunday night.

#### **A Good Catch.**

Mr. and Mrs. Otto Gersch, John Kubsch, J. B. Gersch and Ernst Moerbe, Eric Gersch and Winona Garrett motored to Winchester Sunday and partook of a real fish dinner at Mr. and Mrs. Rudy Pietsch, as their son Melvin landed a 32 lb. yellow cat Thursday. We just bet that there are all kinds of lines in the river around that place trying to catch the partner. Anyone wishing to learn the technique ask Melvin Pietsch.
