**NORTHRUP CENTER
IN FULL SWING**

Robert Malke of Northrup was in Wednesday after ticking for the Northrup - Serbia center for making cotton comforts and mattresses where the work is in full swing. They have completed 45 comforts and will make 95 mattresses. The quarters are small in size which checks the work somewhat. Farmers with an income of less than \$500 are entitled to one mattress, when there are three in the family they are entitled to two mattresses, and when five in the family, they are entitled to three mattresses.
