**Obituary of
James Victor Dunk**

James Victor Dunk was born on May 5th, 1942 to Mr. and Mrs. E. A. Dunk and was baptized on May 10th. For almost 2 months he unfolded into a precious bud, but God in His infinite wisdom saw fit to pluck this bud on July 2nd and transplant it into His heavenly abode, after a very brief illness of a night and a day. He leaves to mourn his early passing his deeply grieved parents Mr. and Mrs. E. A. Dunk, 3 sisters, Tusnelda, Alice Ruth, and Junelle, and 1 brother William George, his grandparents Mr. and Mrs. Henry Dunk, Sr. and Grandmother Zoch. Heartfelt sympathy is extended the bereaved.

"Farewell! I say with gladness

False, evil world, farewell!

Thy life is sin and sadness,

With thee I would not dwell;

In heaven are better pleasures,

I long for that bright sphere

Where God grants endless

treasures

To those that served Him here.

"O write my name, I pray

Thee

Now in the book of life;

So let me here obey Thee,

And there, where joys are rife,

Forever bloom before Thee,

Thy perfect freedom prove,

And tell as I adore Thee,

How faithful was Thy love."
