#### Returned From Vacation

The Rev. and Mrs. A. Arndt returned Thursday from their 3-week vacation up north with their children, his mother, aunt and others. They report having had a wonderful time sightseeing, but experienced intense heat which is so very humid, that a lot of folks install dehumidifiers to dry out the air in the homes. Quoting Rev. Arndt "For three Sundays we attended different church services, little ones and large ones, and to hear other pastors preach is a privilege a Pastor has but seldom." Yes they said, they enjoyed their visit to the North very much, but when time came to go back to Texas we were happy to get back to home and old Serbin, and so we say—Welcome home, Rev. and Mrs. Arndt.
