

PAIGE LOCALS

Special Correspondence to the News

Mrs. Daisy Gant of Ledbetter left for her home Saturday after several days stay with her brother Mr. Tom Robinson.

Mr. Kenneth Goerner left Wednesday for Colorado to meet his bride. This is the termination of a romance which had its beginning during the war. We wish this young couple much happiness and prosperity.

Mr. Henry Kunkle and wife returned home Saturday after a few days visit with relatives in Austin.

Mr. Hugo Jenke motored to Giddings on business Saturday.

Mrs. Herman Lehman spent a few days with her mother last week.

Messrs Joe and Alf Dawden made a business trip to Bastrop Monday.

Mr. Albert Orts has installed some new works at his gin the last week preparatory for the new cotton crop. But we don't think he need have gone to that expense this year, as the old works would have lasted to gin all the cotton that will be raised around Paige this year.

Mr. Bill Kunkle went to Bastrop Monday where he purchased himself a new Ford Car.
