

## PAIGE LOCALS

Special Correspondence to the News

The Paige schools opened Monday with a large enrollment. Several of the teachers came in on Saturday and busied themselves with finding places to board and getting acquainted with the surroundings, and every one is looking forward to the most successful school year Paige has ever had.

Miss Dillie Ferguson of Red Rock is visiting near Paige, for a week before going to her school near McDade.

Miss Maudy Raschke spent the week-end in Fair Oaks, with Miss Kerner.

Mr. Harvey Craig of Alum Creek is visiting her sister Mrs. Myrtle Chandler.

Messers Eddie Mattiza and Reginald Graeter are spending several days in Houston.

Miss Emma Zander who is teaching school in Lee Co. was in town Saturday doing some shopping.

Mr. Carlis Lowden spent Saturday night with his cousins Floyd and Alf Lowden.

The gin here is running only two days each week, Fridays and Saturdays, and the cotton is almost all in. The army worm has struck the fields and cotton is stripped of all foliage.

Mr. Walter Lindner and family visited in the Lowden home Sunday.
