**MANY PRIZES TO BE
WON IN CONTEST
AT PRAIRIE VIEW**

Colored boys and girls will be competing for over \$1,000 in prizes in the various contests that go to make better farmers and farm women at Prairie View this summer from July 27 to 29 inclusive.

The Southern Pacific has granted one cent fare per mile each way. Special equipment will be on each train to accommodate the passengers. We are suggesting that you go by rail instead of any other ways and enjoy safety of travel, comfort and good service.
