Sand Locals

It's still very dry, and a good rain is badly needed.

Quite a few young folks attended an entertainment given by Minnie Synatschk near Giddings. All report having had a good time.

Miss Minnie Wenke spent last week with her sister Mrs. Eddie Schatte near Giddings.

Mr. and Mrs. Robert Malke and family spent Sunday at Serbin.

Mrs. Aug. Groeschel is still on the sick list. We all hope for an early recovery.

Mr. Ben Zoch and family returned home Monday after spending several days at Thrall with the family of Albert Richter.

Miss Esther Tschatschula of Northrup is spending this week at the home of Miss Annie Lee Paulck, taking in all sorts of amusements, especially the joy ride on the donkey, which caused lots of laughter. Miss Esther enjoyed her visit very much.

The Misses Paulck and Tschatschula enjoyed a pleasant visit at the home of Miss Clara Wenke at Sand Monday afternoon.

If I see this in print I will soon drop in again.
