SERBIN 4-H CLUB

The club held its monthly meeting at Mr. August Kessel's, August 5. We had a squirrel barbecue which had been planned at last month's meeting, especially in honor of our new county agent, Mr. Mast. The boys cared for the squirrels, the girls cared for the salad, potato chips, pickles, bread and lemonade. Mr. Cherry took a picture of the boys when they were barbecuing the squirrels.

The Serbin 4-H Club boys would like to have some more members. If anyone would like to join, he should see the secretary-treasurer Milton Kasper.

We started the rat campaign, to get rid of the rats on the farm. The poison can be bought in one-half pound sacks 15c. and one pound sacks 25c. We are supposed to get 1c for every rat tail that we get.

The Serbin 4-H Club made three self-feeders; one with four holes, and two with two holes.

The members present were Calvin Kasper, Alvin Kessel, Milton Kasper, Henry Gersch, Calrence Mutscher, Robt. Weise and Bernhard Kessel.

September 10 at Mr. August Kessel.
