

**BIG DAY PLANNED**

## **Serbin Picnic Set for June 1**

St. Paul's Lutheran Church of Serbin will hold its annual school picnic next Thursday, June 1.

The picnics of this congregation have been held for many years and are well-known in the community. There will again be various types of exercises and songs, as well as contests and games for the children. Many of the older folks just visit among their acquaintances on this day.

One of the best known features of this picnic is the barbecue prepared by the men of the congregation. In the course of many years barbecuing has become a fine art with the men in charge of the picnic.
