**SMITHVILLE ARTISTS
ENTERTAIN AUDIENCE**

An aggregation of artists from Smithville furnished the entertainment for the assembled hundreds who attended the Giddings Lions Club open air show last Friday evening.

The program included: voice numbers by Mrs. Kinkel Harris accompanied by Mrs. P. V. Winston; Tap Dance by Marilyn Jean Ford with Mrs. T. R. Whitworth at the piano. A reading by Miss Mildred Turner which was followed by Violin Solos by Mr. Lilburn Smith. Then Mr. Davis developed a professional touch in his presentation of "Black Magic." After the intermission Mrs. Winston at the piano and Mr. Lilburn Smith, with a violin rendered interesting selections.

An acrobatic dance by Marilyn Jean Ford, and a tap dance by Miss Zeta Hatch, seemed to electrify the crowd and both were forced to make second appearances before the audience would be satisfied.

The program ended with a voice number by Mr. Marcellus M. Scales which was well received and highly appreciated.

Several members of the Smithville Lions Club accompanied the artists, and mingled among the crowd adding to the enjoyableness of the evening.

Announcement was made of an open air band concert Tuesday night, July 19, 8 o'clock, at Smithville, presenting the La Grange High School Orchestra. Everybody was cordially invited to attend.

Mr. Erwin Neitsch, member of the Lions Club, was master of ceremonies.
