A Letter from Germany

Dear Mr Proske,

I confirm receipt of your letter of August and the money gift of \$3.00. Thank you very much. Our new children's home in Omsen near Dresden which will receive this gift was opened on September 9 and 40 children have found a home. The fall weather was wonderful. Music was offered by the town mission with "Praise the Lord", and then the children sang "Lobt froh den Herrn, ihr jugendliche Chöre". There were several speeches offered in front of a great number of guests. The parents assigned to these children come from the so-called Moritzburger Brother House. Everybody wished them a good start in such difficult times and God's blessings. Music continued in the court while the guests visited the interior of the home. We hope to find continued financial support and would be able to house up to 130 children.

Again, thank you very much for your financial support and best regards to all,

Yours

Richard Wachs
