JACK McINTOSH MARRIED

A copy of the Muleshoe Journal was sent the editor this week, and it contains an account of the wedding of Jack McIntosh and Miss Ellen Abbott of Kenna, New Mexico, but who had been employed at Muleshoe as bookkeeper for a motor company. She is a charming young lady of exceptional talents, also one of the most popular in church and social circles. Jack has been in the employ of the Journal at that place, and they will continue to live at Muleshoe where they have many friends. Jack's many friends in Giddings will be glad to know of his success and join in wishing him and bride a long and happy life.
