VISIT RESULTS IN MARRIAGE

The News had a local ready to be set Wednesday morning stating that Miss Viola Keng left the day before for Houston for a visit with relatives. Early that morning while waiting for the machine to get fired up ready for work it was learned that the visit had resulted in a marriage which took place Tuesday evening at 7 o'clock. The report further states that they were married 25 minutes after the arrival of the train there to Mr. Ira Albers. It looks now as if there might have been some understanding between the contracting parties before she left home for they certainly could not have argued the question, arrived at the decision and arranged for such an happening without some understanding before hand. Of course we had to change the local. It was known by some of her intimate friends that that they would be married in a short while, but as one of them stated, they thought it would be a day or two any how. However, when Miss Viola departed Tuesday afternoon, she remarked to one of her friends that if she did not see her soon or she didn't return that the old grey mule was hers. Mr. Albers was born and reared at Ledbetter but has been in Houston of late where he holds a responsible position. This young couple have a lot of friends both at Ledbetter and here whom the News joins in wishing them a life of much happiness and success.
